Description

That's right, we have combined the features of a down box and scoreboard into a single unit. Now you can keep the fans on both sides up to date by writing the score on both sides of the down box. Made of strong PVC material that can hold up under any conditions. Light weight and easily disassembled for storage. Stands a full 7 feet when in use and comes with durable plastic numbers and 2 erasable score sheets. Each unit comes with down box, score sheets and markers.
