Looking for a playground Merry Go Round?

Combining superior design and engineering with the finest materials and far heavier construction, the M1500 Merry-Go-Rounds are unequalled for strength, durability and safety, unmatched for trouble free service. Strong 3-1/4" x 0.375" wall tubing center shaft is fitted with revolving assemblies, snugly housed in 4-1/2" schedule 40 pipe. Zerk lubricated 1-1/4" ball bearings with 3-1/2" x .19" wall oil impregnated bronze bearings guarantee amazingly smooth motion for 30 children. Platform is 10' diameter and 14 gauge steel safety plate.
