Description

Equip gym goers and exercise enthusiasts with an added tool for cardio and aerobic workouts with the Champion Barbell 9.5 ft. Leather Jump Rope, which can be used by people of all ages to stay in shape and on track to a healthy lifestyle. Implement jump rope exercises into your fitness program or class and watch as students smoothly increase their jumping speeds without stopping thanks to the ball bearings, which also help to reduce wrist fatigue. During long intervals of non-stop jumping, foam handles deliver a comfortable and stable grip.

- Can be used in different fitness routines and classes to add an aerobic element
- Leather rope construction stands up to heavy use at community gyms
- Ball-bearing swivel allows the rope to rotate smoothly, helping to decrease wrist fatigue
- Foam handles offer a comfortable and secure grip during intense workout sessions

- 9.5 ft. long rope is ideal for use by people from 5.5 - 6 ft. tall
