The unique appearance of the ECO WOOD Series playground is sought after by architects, community designers and park and recreation districts looking to make a statement with their public space by providing play opportunities with a one-of-a-kind look. Based on the classic style of your playground in the 1980's and 1990's, Eco Wood delivers a retro appearance with state-of-the-art materials with a proven performance record that results in a natural looking playground without costly and laborious maintenance of a wooden playground.

Includes: Transfer Station, Rain Maker Panel, Hive Climber, Tree Topper, Window Panel, Racing Game Panel, Single Straight Slide, Gable Roof, Squirrel Climber
