Description

This Blaze insulated jacket is essential when installing your Blaze 26 Inch Pizza Oven into a combustible enclosure such as an outdoor kitchen or BBQ island. This insulated jacket is constructed of stainless steel with a self-supporting ledge around the sides and back that adds one more layer of quality to your outdoor kitchen. The insulated jackets are covered by a lifetime warranty that warrants against defects in manufacturing and workmanship. This warranty extends to the original purchaser against manufacturer defects for products purchased for ordinary single-family home use.
