Description

This Blaze 20? Outdoor Compact Refrigerator has a space-saving design that brings premium cooling to even the smallest of spaces. The fridge's 4.4 cu. ft. interior is illuminated with white LED lighting to give you a clear view of its contents, even after sundown. Great for storing beverages and for keeping food chilled prior to grilling. Blaze's 1-year limited warranty is backed by best-in-class customer service. You deserve an outdoor compact refrigerator that will take your BBQ island to the next level!
